Who is invited?
A mix of people of all ages and backgrounds is a wonderful encounter - therefore EVERYBODY is invited! It is a good opportunity for families with teenagers or young adult children to experience the retreat together. And, of course, granny and grandpa can also join in! An alternative program for children up to grade 7 can be provided during sessions.

eQuip is planned by NELCSA - (formerly ELCSA (N-T)). You are welcome to invite and bring along friends or colleagues who are not members of our Church.

The costs
The retreat is funding itself. We strive to keep costs at a minimum without starving the participants!
The cost including registration fee and all meals is:

- Payment after 15 December: R 2 000 per adult, R 900 per Child between 5-18

It is eQuipping time again! For those who attended previously, no introduction is needed.
Being eQuipped to face the new year with all its challenges - a wonderful opportunity.
eeQuip brings together young and old. This results in a rich time of sharing and learning. It is good to see so many sparkling eyes at the end!

In planning, we could not miss the opportunity to turn the year - 2020 - into the theme: "20/20 vision". We link this to the 2019 Synod theme: "Go- With purpose!"
To go with purpose you need clear vision. What if it is missing? We can go with purpose, even if we do not have clear vision, because we have faith in the one who sees. What better way to start 2020 than by reflecting on my vision for the year, my vision for life and asking: Lord, what do you see for me?
As has become custom, Bible studies will form an important part in this reflection. How were people guided? What made them go? What can we learn from them?

The topic
"20/20 Vision Go - with purpose!"

Day 1: Old Testament Roots - Abraham&Co
Day 2: New Testament Shoots - When the tough get going
Day 3: Church fruits - When the going gets tough

The presenters
Bishop Horst Müller,
Pastors Drs Gertrud & Detlev Tönsing

The aim of the retreat is six fold:
- Bible Study - getting to know the Bible and it’s background better. How does the Bible speak to this topic?
- This year we will also give some tools for leading a bible study back home.
- General Knowledge - getting current information on the topic.
- Sharing with fellow Christians in small groups - hearing from others how they view issues, and sharing your own opinions, insights and concerns.
- Fellowship - an opportunity to get to know people from all walks of life, enjoy each others’ company, afternoon outdoor activities, and evenings of fellowship, from laughter to meditation.
- Worship - time for singing, praying, silence.
- Time to relax - the program allows time for relaxation, meditation and recreation.

The Venue
Hermannsburg, KZN
The climate during that period can range from warm (above 30°) to cool and misty (12°) - so a range of clothing is necessary to cater for this spread.
There is ample playground for children as well as a half-Olympic size swimming pool, tennis courts and beautiful hiking or mountain biking opportunities.

The Dates
1 January 2020 (arrival by 17h00) till 5 January 2020 (depart early morning or after breakfast)
