17 June 2020

To all NELCSA Synod Delegates and Pastors
and Congregational Councils

Date for Synod 2021

Dear sisters and brothers,

God willing, the Synod 2021 will be from 7 to 10 October 2021 (Thursday to Sunday).
The venue will still be announced at a later stage.

This information comes now, so that you can now already include the date in your year
planning for 2021.

Much has happened since our last synod. The COVID-19 crisis has lead us into a totally
different way of experiencing church, community and life in general.

By October 2021 we will have almost two years of experience with this new reality. It will be
interesting to see how it impacts on our planning, the theme and the way forward!

Jesus Christ, Lord of the Church, has guided his church for two thousand years through the
most challenging of times. We are part of this being guided. May we be open for His leading!

With anticipation,

Yours in Christ#

Horst Müller, Bishop
