2023 Report on the IMPACT Music Ministry in the Southern Circuit

Dear synod delegates, thank you for giving your time and prayers to be a synod member. May God bless the deliberations, decisions, and fellowship.

The Team

Since the last report, our team has gone through some changes. Two of our members resigned for various personal reasons. We want to thank Marianne von Delft and Linda Reibeling for their dedication and shared talents and experience so that this ministry could be a blessing. We wish you a blessed time in your families, work, and future endeavours. We want to welcome Mr Erlo Drews onto the team. We are still in the process of finding new volunteers for the team.

Pastor Rolf Schmidt will be stepping down from the team when he leaves for the USA. Pastor Manfred Müller-Nedebock will take over from him.

Biannual IMPACT Workshops

Since the last Synod session, we were able to hold our usual workshops, one on the 20 May 2023 in Wartburg and another is planned for the 26 August. We have decided not to hold any festivals at this time as we are underequipped as a team at the moment.

Please keep this ministry in prayer,
God bless,

Thanks

We thank everyone who has been involved in this ministry, as well as the congregations who host the workshops. It is greatly appreciated.
