

Report Synod 2015 Youth Northern Circuit

Developments and events that happened in the Northern Circuit in the last year are the following:

From the 6th to 14th December 2014, the annual Kailager was held at the Kailager Camp in Port Edward. 11 girls and 21 boys with 11 co-workers from ages 14 – 27 attended this annual highlight. The theme was “All you need is love”.

For the younger ones, there was the Kinderkailager this year from 28 June to 4 July with its theme “Self-worth”, which is attended by children from all circuits.

The Johannesgemeinde and Kroondal amongst other youth and student groups also participated in various “Interverein events”, events organised and hosted by the various student groups in Pretoria. Potjiekos competitions, sport days are amongst the yearly events.

The Johannesgemeinde Youth also hosts bi-monthly events like the popular “Johnny tanzt” evenings, where anyone who loves dancing and wants to learn how to dance can join in. They also host movie nights and “Laser tag” events for the school learners.

On 4 September, the young adults of the Johannesgemeinde welcomed spring with a Spring Dinner. This was in the form of a three course meal.

Developing the youth co-workers is also very important, therefore a co-workers training day was held on the 12th of September, where new games for youth group events were introduced and taught.

I wish the youth groups and its leaders and co-workers all the best for the coming years. May Jesus shine through your words and actions!

Wolfgang Meyer
